

# EL GALGO

- 2022 -

Our wine El Galgo elaborated with the most planted variety in our area (el Pla de Mallorca), seeks the finesse, elegance and delicacy of the wines made over the last centuries. We use part of this wine for non-profit purposes in collaboration with BambaProject Kenya.

## *Elaboration*

Hand-selected grapes delicately destemmed and fermented at 25°C for 2 weeks in stainless steel tanks to preserve the primary aromas. Malolactic fermentation and aging in new big french oak barrels.

## *Appearance*

Garnet color with light intensity.

## *Nose*

Expressive and clean with smoky and spicy aromas typical of the variety, red fruits (strawberry) and white pepper.

## *Palate*

Surprising for the extraordinary finesse and delicacy, with very well integrated tannins that give a very round mouthfeel and with a very long and again very fine and elegant finish. Aftertaste reminiscent of red fruits and spicy notes.

Limited edition of bottles.
